Projects

Expense Tracker MERN
Created a full-stack Expense Tracker with secure auth, smooth UI, and real-time expense management. Integrated backend APIs and database for seamless tracking.

AI Therapist MERN
Developed an AI-driven mental wellness platform using the MERN stack, enabling users to engage in secure, intelligent conversations with a virtual therapist. Implemented guided journaling, mood tracking, and mind-relaxation activities within a clean, responsive interface to enhance overall user well-being and experience.

Café Website React
Developed a modern, responsive café website using React, featuring a clean UI, product sections, and smooth navigation. Focused on delivering a visually appealing and user-friendly experience.

Certifications

- Full Stack Web Development - Apna College.
- Digital Marketing - IRA Institute.
